To the residents along Deer Haven Court, Shooting Star Court, and Shooting Star Road:

As you may be aware, the pavement of Deer Haven Court, Shooting Star Court, and Shooting Star Road is in poor condition and should be reconditioned. As such, we have bid the Meadowbrook Farms Phase 1 road paving project which consists of full depth pavement removals, curb repairs, inlet repairs, and miscellaneous utility repairs. We will remove and replace all the existing asphalt.

The cost of half of the curb replacement is paid by the Storm Water Utility. The road repaving and half of the curb replacement costs are paid by the City of Pewaukee.

Beginning in 1984, the cost of road construction has been recovered through special assessments to the properties that abut the streets. A Public Hearing for these proposed special assessments has been scheduled to begin at **6:30 p.m. on Monday, May 17, 2021 in the Common Council Chambers at Pewaukee City Hall located at W240N3065 Pewaukee Road**. The purpose of the public hearing is to provide a public forum where the merits of the project will be discussed, and the affected property owners will have a chance to comment before the Common Council on the proposed project. Enclosed is a portion of the assessment roll that shows the potential special assessments for your property, which are capped at \$2,756.00 (2021 rate) for the road. The assessments are due when the final assessment resolution is passed (anticipated summer 2022). The assessments may be paid over a 10-year period with annual simple interest accruing on any unpaid balance on the end of year tax bill, for an approximate cost of \$275.60 per year, plus interest, for each of the 10 years beginning with the December 2022 tax bill.

These special assessments may be confusing, and we hope to provide a clear understanding of the proposals and the costs at the May 17th public hearing. The decision to proceed with the project or to cancel the project will be made by the Common Council at that May 17th meeting.

Please contact our office at (262) 691-0804 for more information or to schedule an appointment.

Sincerely,

A handwritten signature in black ink, appearing to be "Magdelene Wagner", with a long, sweeping underline that extends to the right.

Magdelene Wagner, P.E.
Public Works Director/City Engineer
