

**PUBLIC NOTICE TO ALL CUSTOMERS OF THE
CITY OF PEWAUKEE WATER UTILITY**

The City of Pewaukee Water Utility has filed an application with the Public Service Commission of Wisconsin (PSCW) to increase water rates. The increase is necessary due to a 33.65 percent increase in gross plant investment and a 19.66 percent increase in operating expenses since the last water rate case was completed in 2014.

The total increase in water revenues requested is \$419,485 which will result in an estimated overall rate increase of 20.60 percent over the water utility's present revenues. If the request is granted, the water bill for an average residential customer with a ½-inch or ¾-inch meter who uses 14,000 gallons of water per quarter will increase from \$64.82 to \$75.88, or 17.06%.

A telephonic public hearing on the application has been scheduled for Tuesday, June 23, 2020, at 10:00 a.m. This is an audio hearing with no physical location. Scheduling questions regarding this hearing may be directed to the PSCW at (608) 266-3766.
