**6. Other Potential Plan Submittals Required For A Project?**

- Contact City of Pewaukee for individual submittal requirements for all of the following:
  - Petition for Variance
  - Plumbing Systems
  - There is no required state Electrical review

• **NOTE: Department of Health Services enforces building code requirements**, including plan review, for **hospitals and nursing homes**. Daycare facilities must meet building codes prior to their licensing.

**7. Required Signatures**

**a) Supervising Professionals:** If building will be 50,000 cubic feet or greater (SPS 361.40) I have been retained by the owner as the supervising professional per SPS 361.40 for the performance of the supervision of reasonable on-the-site observations to determine if the construction is in substantial compliance with the approved plans and specifications. Upon completion of construction, I will file a written statement with the department and municipality certifying that, to the best of my knowledge and belief, construction has or has not been performed in substantial compliance with the approved plans and specifications. In the event that I am no longer associated with this project I will file a compliance statement (State of Wisconsin SBD-9720) notifying the City of Pewaukee as such and indicating the current status of compliance.

**c) Optional Service-of Permission to Start Requested –** (Be sure to check box under Building Submittal Type on front page)  
 As the owner, I request to begin footing and foundation work PRIOR to plan review approval. I agree to make any changes required after plans have been reviewed, and to remove or replace any non-code complying construction. I will not permit construction above the foundation until approved plans are at the site.  
 (Additional fees may apply, see fee schedule) Request is for the following buildings:

**8. Statements of Owners and Designer**

a) OWNERS Statement: The owner indicated on page one requests that plans be reviewed for compliance with the code requirements set forth in SPS 360 to 366 of the department. The owner recognizes responsibility for compliance with all the code requirements and any conditions of approval. If a building is 50,000 cubic feet in total volume or greater, plans are required to be prepared, signed, sealed and dated by a Wisconsin registered engineer or architect [SPS 361.31]. Signatures and seals affixed to the plans shall be original.

b) DESIGNERS Statement (SPS 361.20, 361.31(1), and 361.40): The designer indicated on page one of this form is responsible for preparing or supervising the preparation of the plans to the best of his/her knowledge to comply with the applicable codes of the Industry Services Division for this submittal. If a building, following construction of this project, contains more than 50,000 cubic feet in volume, plans are required to be prepared, signed, sealed and dated by a Wisconsin-registered engineer, architect, or designer [SPS 361.31(1)]. Signatures and seals affixed to the plans shall be original.

**9. Fee Calculation Instructions**

**Building & heating and ventilation plans.** Fees relating to the submittal of all building and heating and ventilation plans (new, addition, alteration) shall be computed on the basis of the total gross floor area of each building, area of addition or area of alteration and shall be determined in accordance with the following adopted fee schedule:

<b>COMMERCIAL PLAN REVIEW FEE SCHEDULE – BUILDING &amp; HVAC</b>		
1. New construction, additions, alterations and parking lots fees are computed per this table.		
2. New construction and additions are calculated based on total gross floor area of the structure.		
3. A separate plan review fee is charged for each type of plan review.

Over 500,000	\$18,000	\$12,100
Note:	1. <b>A Plan Entry Fee of \$100.00 shall be submitted with each submittal of plans in addition to the plan review and inspection fees.</b>	
	2. At the Sole discretion of the Supervisor of Building Inspection and Plans Examiner; Fees may be modified, reduced or waived based on scope of services, project type, or other relevant factors.	
Determination of Area	The area of a floor is the area bounded by the exterior surface of the building walls or the outside face of columns where there is no wall. Area includes all floor levels such as subbasements, basements, ground floors, mezzanines, balconies, lofts, all stories, and all roofed areas including porches and garages, except for cantilevered canopies on the building wall. Use the roof area for free standing canopies.	
Structural Plans and other Component Submittals	When submitted separately from the general building plans, the review fee for structural plans, precast concrete, laminate wood, beams, cladding elements, other facade features or other structural elements, the review fee is \$250.00 per plan with an additional \$100.00 plan entry fee per each plan set.	
Accessory Buildings	The plan review fee for accessory buildings less than 500 square feet shall be \$125.00 with the plan entry fee waived.	
Early Start	The plan review fee for permission to start construction shall be \$75.00 for all structures less than 2,500 sf. All other structures shall be \$150.00. The square footage shall be computed as the first floor of the building or structure.	
Plan Examination Extensions	The fee for the extension of an approved plan review shall be 50% of the original plan review fee, not to exceed \$3,000.00.	
Resubmittals & revisions to approved plans	When deemed by the reviewer to be a minor revision from previously reviewed and/or approved plans, the review fee shall be \$75.00. Any significant changes or alterations beyond minor amendments as determined by the Plans Examiner and Building Inspection Department may result in additional charges as appropriate.	

Submittal of plans after construction	Where plans are submitted after construction, the standard late submittal fee of \$250.00 will be assessed per each review type that occurred after construction. This is in addition to any other plan entry fees, structural components and base fees applied to a project.
Expedited Priority Plan Review	The fee for a priority plan review, which expedites completion of the plan review in less than the normal processing time when the plan is considered ready for review, shall be 200% of the fees specified in these provisions.
